MONICA LARNER

The Castello Romitorio 2019 Brunello di Montalcino Filo di Seta reaches a whole other level of intensity and brilliance with dark fruit, blackberry, an etched mineral quality, petrichor and wet slate that gives this wine an incredibly etched and lively presentation. The tannins are velvety and perfectly match the generous texture of this beautiful Sangiovese. Only later, you start to notice the delicate tones of purple flower and iris root that give this wine such an elegant finish. This is a cellar keeper. There are 9,000 bottles of this wine. Drink date: 2025 - 2048

Black cherries, plums and floral notes with subtle, underlying citrus character. Full-bodied and structured. Chewy yet fine-grained tannins. Healthy and vibrant. Persistent length and depth. Give it more time to soften. Better after 2028.

This wine is rapidly becoming one of the most interesting vineyard selections to emerge from the Montalcino appellation thanks to the cool microclimate and black slate-like soils of the site. The Castello Romitorio 2018 Brunello di Montalcino Filo di Seta is a wine of unique dimension and depth. It shows tart, almost crunchy red fruit and cassis, with background notes of cola, balsam herb, crushed stone and pencil shavings. The tannins need another two or three years to become silky. The wine ages in oak for 30 months, and production is limited to 7,300 bottles in this vintage. Drink date: 2024 - 2044.

This is a muscular 2017 with a dense palate of airy tannins that give form and composure to the young wine. It's full and flavorful with white-truffle, cherry and orange-peel flavors at the end. Needs time to soften. Try after 2025.

This is a very interesting wine that tests a cool growing site in a hot vintage. The Castello Romitorio 2017 Brunello di Montalcino Filo di Seta comes from a high-altitude vineyard with dark soils and pockets of slate and shale. It is isolated in the mountains and surrounded by thick forests and Mediterranean shrub oak. That combination of unique elements has shaped a very articulate and attuned expression that boasts vibrant fruit, smoke, spice and wet stone. The finish is sharp and especially focused with age-worthy tannins and bright acidity. Drink date: 2024 - 2044

Bright cherry, currant, floral and almond flavors are shaded by spice and tobacco accents in this racy red. Though solid, packed with dusty tannins that leave an astringent impression on the resonant finish today, this features ample fruit. Best from 2025 through 2047. 570 cases made, 150 cases imported.

The Castello Romitorio 2016 Brunello di Montalcino Filo di Seta is beautiful in the way you would regard a contemporary painting awash in color, texture and broad brush strokes. It doesn't all line up at first glance, but then you are magically aware of the symmetry—between the lifted fruit aromas and the grounded spice and oak. The wine's various moving pieces come together in harmony. Thanks to its softly integrated tannins, it also shows great versatility in terms of its drinking window. You can enjoy it in the medium term or wait for later. Production is 6,900 bottles. Drink date: 2024 - 2045

We didn't see this wine in 2014, so it's nice to have it back. The Castello Romitorio 2015 Brunello di Montalcino Filo di Seta is born in a unique vineyard site that is characterized by a greater presence of schist or slate-like shards in the soils. These conditions contribute to the sharp and focused aromas you get here. Pencil shaving and granite rock come to mind. However, the wine is equally expressive when it comes to its ample fruit and floral profile, and there's enough spice and soft leather or tobacco to hold it all neatly together in one happy package. It ages in oak for 30 months. This wine marks an ideal marriage between vintage and soil. The wine was released in January 2020, and 7,472 bottles were made.
