MONICA LARNER

The Castello Romitorio 2021 Metafisica is equal parts Chardonnay and Procanico, aged in oak for nine months. This is a new addition to the estate portfolio, with the Chardonnay coming from Montalcino and the Procanico coming from the Scansano area in southern Tuscany. The Procanico vineyard boasts 50-year-old vines and is one of the oldest in the area. Filippo Chia and his family acquired the site in November 2020. It's especially hard to find a white wine of this texture and consistency. It opens to a light golden hue and a viscous appearance that translates to a creamy mouthfeel. Aromas include orchard fruit, baked pear, saffron and apple pie. You can taste the skins, and there is the slightest tannic imprint on the mid-weight finish, which is dry and laced with dusty minerality. Only 1,900 bottles were produced in this inaugural release.
