

Castello Romitorio Brunello di Montalcino

Filo di Seta Riserva 2016

Incredibly elegant design showing complexity and sensory purity described in the alternating scents of wild blackberries, blueberry juice, plums, liquorice, Barbour vanilla, orange rind, citronella, linden blossom, white almonds, dried cherries and fresh origano. The secondary profile is genuine and smooth giving nuances of rose petals and grapefruit blended with Fondant chocolate. Full bodied, silky tannins of incredible workmanship and a finale with a precise and sartorial closure. A new label for Castello Romitorio which has chosen the best grapes from their Single Vineyard Filo di Seta for the first time after 6 years. Better from 2023.
